

November CPC Happenings:

I was able to attend the Grants Pass Assembly and I attended the CPC/PI & Treatment round tables, I found that this helped me get some motivation and a vision for the remainder of my term. CPC was able to get 60 mailings out this month to health care workers in Madras/Warm Springs/Prineville/ John Day/ Mitchell & Sisters, we were able to personally address many to specific doctors since most of the areas are so small. We will be working on Redmond and La Pine next month. The CPC committee is down to two members, I'm looking for people to join, there is no sobriety requirement. What we do: The CPC Chair provides the professional community (which comes into contact with alcoholics), with information about what AA is, what AA can & can't do, and how to contact local AA. This type of service work does not require much time. Due to its nature, very often it can be done at your convenience. Yet it is still a very rewarding type of service work. You could learn a lot more about A.A. and how it works. Please call to text me if you would like to join 541-404-2624.
