If you just got back from an area assembly what information do you have to report? Any area motions to discuss? How are area finances? Open service positions at the area that need to be filled. What positions? When will they be open? Where to send a service resume? Any Tradition workshops or Area conferences or events to announce? Dates? How to register?... *

District 5: Is there a District Newsletter out that you can share? What happened at the last district meeting? News to report? Any district motions to discuss? How are district finances? Upcoming service position openings at the district? What positions need to be filled? How to stand for the position? Any district workshops or events to announce? Dates? *

Home Group level: Is it time to discuss a group inventory? Possibly give a small Tradition presentation on the Tradition of the month. Has your Alt GSR been accompanying you to assembly, district meetings, and/or other events. Has any trusted servant in the group gone above and beyond and you would like to thank them for helping you? Remind the group that we are a team, and express appreciation. Make sure your group knows if they have any concerns they can come to you and you will try to help.
