

District 5 Corrections Committee Mar 11, 2018 Report

Went to the PRASSA Assembly and attended the Corrections Round Tables.

Still have good stock of big books and the pamphlet "It Sure Beats Sitting in a Cell". Have Grapevines but will run out soon. Would appreciate donations from groups.

Missed 2 meetings on Feb 20 due to 2 people not showing up so for 2018 we are 95% of available meetings covered.

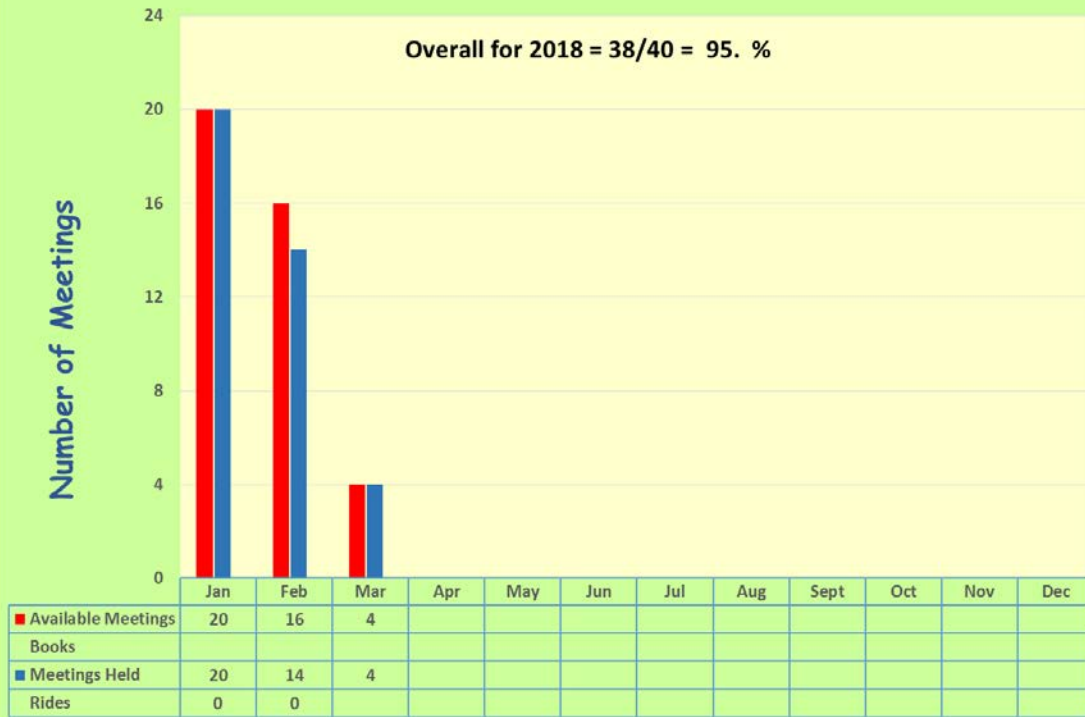

Still no one has taken advantage of the Ride to Recovery Program, although I did get a call from the hot line saying to call the Programs Director as there was someone that wanted a ride, but no info on name, or date. Could not get a hold him, but went to the jail anyway in the morning but no one showed up. So will meet with him this week to discuss procedure and other issues such as ride program for Work release, and rides on weekends.

Nothing else to report.

Thanks for letting me be of service
