Meeting Minutes

November 14th, 2021

Meeting was opened with the Serenity Prayer at 4pm.

Attending: Carrie B, Jamie S, Kimber J, Christine B, Ron B, Beth M, David (timer), Mike S, Artha P, Charles K, John K, Helen W, Mario H, Mike L, Amanda B, Jill B, Todd H, Lauren S, Pilar C, Walt W, John T, Anders, Rob L, Mike (DCM D9 observer), John S, Derek, Reed G, Russ, Mark L,

Concept 11 Presentation:

Short form: The trustees should always have the best possible committees, corporate service directors, executives, staff, and consultants. Composition, qualifications, induction procedures, and rights and duties will always be matters of serious concern.

1- The status of executives. No active service can function well unless it has sustained and competent executive direction. This must always head up in *one person*, supported by such assistants as he needs. *That person* has to have ample freedom and authority to do his job, and he should not be interfered with so long as his work is done well.

2- Each paid executive, staff member or consultant should be recompensed in reasonable relation to the value of his or her similar services or abilities in the commercial world. Cheap help is apt to feel insecure and inefficient. It is very costly in the long run. This is neither good spiritually nor good business. Assuming service money is available, we should therefore compensate our workers well.

3- Rotation among paid staff workers. At AA's GSO most staff members' assignments are changed every 2 years. When engaged, each staff member is expected to possess the general ability to do, or learn how to do, any job in place. Excepting for office management.

4- Full participation of paid workers is highly important. We have already discussed the necessity of giving key paid personnel a voting representation on our committees and corporate boards. They should enjoy a status suitable to their responsibility, just as our volunteers do.

I am currently serving as Alternate District Committee Member for District 5. The service position is listed as alternate since if it were "co DCM" it would imply double headed management which could cause conflict between me and the DCM. If my DCM is unavailable to attend an area assembly or district meeting, I am there to step in for her. Concept 11, Page 53 of the service manual states that *double headed management would be a source of continuous conflict*.

In love and service, Jamie S Alternate District Committee Member

DCM Report – Carrie B

District 5: Good afternoon District 5!

I would like to first welcome any newly elected GSRs. Welcome to district 5. It is so nice to have you representing your group as part of the District. You have been elected into a very important job! In the GSR pamphlet, Bill W. states "*The strength of our whole A.A. service structure starts with the group and with the general service representative (G.S.R.) the group elects. We cannot emphasize too strongly the G.S.R.'s importance.*" Because we are not holding district meetings in person currently because of the pandemic, Your Alt DCM and I would like to make ourselves available to meet up with you for coffee and/or pie, and give you a New GSR Packet, go over what happens at the area assemblies, your role as a GSR, and answer any questions you may have. Please contact myself or Jamie to set up a time that works for you. *My Phone Number is 541-788-7276*

The Alt DCM and Myself held an orientation for New GSRs this last month. We held this at Pappy's Pizza in Redmond. It was Great! There were 8 of us total. Including one Alternate GSR about to rotate into GSR at his Group's upcoming election. We went through the GSR pamphlet, filled out New GSR Change forms, everyone received a new GSR packet to take home, and we were able to answer some fantastic questions that were asked using the AA literature! Overall I feel like the GSR Orientation was very effective and I'm grateful to have gotten to spend the time with new GSRs in this way.

I would also like to welcome our District's new Committee Chairs! Our New Public Information Chair Artha from The Not a Glum Lot Group, Our New Website Chair John from the WFS Group, Our new Cooperations with the Professional Community Chair Ron B. from the New Horizons Group, and the new Corrections Chair Walt from the Attitude Adjustments Group! It has been nice spending some time getting to know the new Committee Chairs as well.

Area 58: November 2021 Quarterly Assembly virtually on November 19-21, 2021.

The November Assembly is coming up next weekend. Each of the 4 quarterly assemblies hold a slightly different purpose. The one next weekend is structured around the incoming service committee chairs! This one, in my opinion, is the funnest assembly! Lots of choices as far as what you would like to learn about. This is also the only assembly all year long, that is not only for the GSRs, but also for the committee chairs! GSRs attend all the Assemblies, but in November we ask District committee chairs to attend as well. This is where you will learn about your new Service position and get to meet other Committee chairs from around the state who are serving in the same capacity. You will get to share ideas and ask questions! **Everyone please plan to attend November 19th - the 21st** <https://www.aa-oregon.org/upcoming-assemblies/>

Hopefully you have all received the Assembly agenda and login info. If you have not, PLEASE send me an email and let me know so that I can get that very important email forwarded onto you. If you are confused about what to attend once you get that email, please feel free to call me. I am here to help you with that. We can go over the agenda together and talk about what to expect and what you will need to make sure to be there for. GSRs, please don't be late to the Business meeting on Sunday at the assembly. Being on time is how you make sure your group's votes are heard. GSRs again, you will want to make sure you are not late Sunday morning. The business meeting is where your job as GSR takes place. Committee Chairs, you will not need to be there on Sunday for the Business meeting, although you are welcome to be and I encourage you to come Sunday to see what it's all about. Again, if anyone is confused about where to be, please please reach out to myself, or the Alt DCM. We are here to help. I should also let you know that the Area Grapevine Chair and past delegate Jim F. has stepped down from area service due to health reasons. This is very recent and I'm sure this will also be announced at the assembly.

GSO/AAWS: The brand new Service manual is out!! Here is a direct link to download https://www.aa.org/assets/en_US/en_bm-31.pdf There will be an online weekly service manual study on Wednesdays at 5pm starting on Dec 15th if anyone is interested in going through the concepts in the new manual with a past trustee. All are invited. See flyer here: IMG_4049.jpg

Lastly, Thank you for trusting me to serve your District.

In Gratitude, and Service,
Carrie B. D5 DCM

Alternate DCM Report- Jamie S

Hello District 5! My name is Jamie. I am an alcoholic. My homegroup is The Firing Line Group Of Alcoholics Anonymous. It is my great honor to be serving as your Alternate District Committee Member.

Last month, 10/31 we held our first in person workshop at Brooks hall. The theme was Unity and Group Autonomy.

Upcoming workshops: GSRs please take notes and let your Groups know: Saturday 12/4 Highlighting Pamphlet Pizza Party! At Redmond Alano Club in Redmond from 2-4pm. This will be a great opportunity for unity building. And to get a chance to know each other more.

Saturday 12/18 Online Pamphlet Presentation being held in D5's zoom room from 2-4pm. There will be 4 presenters on any AA Conference Approved Pamphlet of their choosing. They will each share for 15 minutes and there will be time for Q&A after. We will be having a Book raffle as well, just for showing up. For fun and for free!

Last month I had attended the IGR Business meeting as the Alt DCM and wanted to report back that there will be elections on 11/21 at 5:30 pm in their zoom room. If you would like information on what service positions are open, you can find all the info on coigaa.org

I have gotten a couple ideas sent in to me from GSRs for upcoming workshop and event ideas, and I love them! Keep em coming GSRs!

Assembly Host Committee Chair: Christine B

Good afternoon. My name is Christine. I am an alcoholic and the chair for the future District 5 Hosted Assembly Committee.

There has not been much movement on this in the past month. With the event being pushed out, at this time until May of 2023, the work is mainly administrative. Plans with the Riverhouse, where we had a contract, are up in the air with all the changes. I am working with the Area Alt Chair, researching other possible venues in the event that the plan with the Riverhouse falls through completely.

I would like to make it clear that the change in dates, originally scheduled for May of 2021, is a direct result of the safety concerns brought to us by Covid. The next two Assemblies, through February, are to be virtual only, at which time the dangers will be reassessed. Safety is a priority. All previously scheduled Host Committee events have been pushed forward and May of 2023 is the first date available to us, as it stands today.

Our groups voted to Host an Assembly and we will see it happen as soon as possible. If there are any questions or concerns, I may be contacted at christine.db42@gmail.com
Thank you for the opportunity to be of service,

Access - Mike S

since the out break of the pandemic and AA quickly adjusting to the issue, we have little to no need helping others get to meetings through zoom there has never been easier to get to a meeting now that is all I have to report

Cooperation with Treatment Facilities (CTF) – Rob L. -

CTF Committee:

- We are a committed group of seven AA members that meets monthly to support the work of serving the treatment facilities community. Each member is representing their home group and some are facilitating CTF panels (see below). We are actively seeking new committee members, preferably representing their home group, to attend our monthly meetings and to "own" a panel at a treatment facility.

Treatment Facilities Status:

- Best Care (Redmond) - Attitude Adjustment group has taken on this twice a month Zoom panel.
- Pfeifer (Bend) - Men's Big Book Study group has taken on this Zoom panel.
- Cascade Crest Transitions - New Horizons group continues to facilitate these in-person panels.
- We anticipate more requests for panels in the next few months, especially since we are now offering Zoom panels. We are looking for more home groups to elect a CTF liaison. Rob L, the District 5 CTF chair, is currently visiting home groups to encourage groups to do so. GSRs, please bring this to your home groups!

Bridging the Gap:

- CTF is compiling a list of AA members with at least one year of sobriety to serve as liaisons for the Bridging the Gap program. These volunteers will help people graduating from treatment programs to begin their AA journey. Please contact Rob L. if you're interested and available. Contact info below.

D5 CPC Report, November 2021

My name is Ron and I am an alcoholic. My Home Group is New Horizons Group in Bend. I am currently serving as District 5 CPC Chair.

Over the last month I've had the opportunity to display and briefly present a CPC information table at our D5 "Group Autonomy and Unity" Workshop that included a poster board explaining CPC goals and history along with many of the materials we would be providing to area professionals. PI business cards, and flyers were available for people to see, take and hopefully post appropriately around our area.

I also had the pleasure of meeting Artha (PI Chair) and Rob (CTF Chair). We've decided to have a brainstorming session (and possibly a joint meeting with our committees) since much of our service outreach may overlap. CPC materials are updated and ready for distribution. I'm continuing to study the CPC manual, and to listen to recorded CPC Workshops online.

Thank you for letting me be of service to District 5.

PUBLIC INFORMATION (PI)

NOVEMBER REPORT

Let me introduce myself. My name is Artha P., and I am an alcoholic. My homegroup is WANAGL and we meet Monday, Wednesday, and Fridays at Noon. My sobriety date is September 11, 2000. I have a sponsor and a bunch of Sponsees that I treasure.

I am the new PI (Public Information) Committee Chair for District 5. I want to thank everyone who gave me such a warm welcome. I am excited to start this new service position for D5.

I have started gathering up a committee of 6 so far which includes myself to cover different areas within Central Oregon. We will start by putting various AA Pamphlets out to various towns like Madras, Lapine, Bend, Redmond, Prineville, Warm Springs, and Sisters, etc. Also, we will have our first committee meeting to

be announced later as for I just landed back home from a Women's Retreat from Loreto, Mexico late last night. We are looking into taking a panel into schools as our first adventure to reach out to young folks. Finally, I was delighted to meet the D5 CPC Committee Chair, Ron B. who we will be glad to work with to get the message out to the community which encompasses the professionals and the alcoholic.

Again, thank you for this opportunity to be of service.
Artha P.

Website – John S -

Website Version 1.0 is Complete:

- New look and feel.
- Placed site information into their own sections (About A.A., About D5, GSR, etc.)
- Added content to missing position sections like CTF, etc.
- Still need to add Access page.
- Added a calendar and announcement page.
- Added an Archives page that included everything that was on the web server when I took over. Can share everything with the any new Archives Committee Chair.

Let's Talk Email:

- Email has been a bit of a hassle. A previous committee member created a Gmail account for each committee chair. However, I am having a hard time getting the passwords for a few of the accounts and the recovery email/phone numbers don't belong to any of the current D5 members.
- Sent a "test" email to each committee chair and not everyone responded
- Will continue to work this and try to have all Gmail accounts have the same recovery contact info so we don't have this issue in the future.

Website Version 2.0:

- Will request feedback from committee members about what they like and don't like, what they would like added for their specific positions.
- Still need to find an editor to review page content for grammar, punctuation, etc. I miss a lot when I am looking at the same thing all day.
- Still need a graphics person to help with look and feel.

Website Version 2.0:

- I am happy with the website hosting company we use. The Bravenet service isn't perfect. But I have used MANY services, and this will be fine going forward. It is easy to use and will be an easy handoff to whoever replaces me in two years.Y

NEW HORIZONS GROUP OF ALCOHOLICS ANONYMOUS

GSR REPORT FOR NOVEMBER 2021

Hello my name is Beth and I am the New Horizons Interim Alt. GSR reporting for our group this month. Our group is still meeting online Monday – Thursday at noon. At our last monthly in person business meeting, our group decided we would temporarily hold our business meetings online going forward due to colder weather and conditions of the pandemic.

Our group has contributed to GSO and COIGAA at a 50/50 split because District 5 and Area 58 have an excess of funds at this time. However, over the last two plus years our group has had concerns about Intergroup and what we consider Tradition and Concept deviations. In an effort to help resolve these concerns, we first expressed them to Intergroup and then in the spirit of cooperation, we offered our experience in a variety of ways but to no avail. Therefore, our group has made the decision to utilize Concept 7, reflecting “power of the purse”, and suspend contributions to COIGAA until such a time that reasonable change occurs at Intergroup. We will continue to contribute to GSO.

We successfully completed our group inventory November 12th.

Also, our group submitted two workshop ideas to our Alt. DCM this last month as well as submitting a motion to GSC for the 2023 General Service Conference. For more information regarding meetings, updates and upcoming events, visit our website NewHorizonsGroupsAA.com.

In Gratitude,
Beth M., Interim Alt. GSR

The Firing Line GST/AGSR report:

My name is Amanda and I am an alcoholic. My Homegroup is The Firing Line Group of Alcoholics Anonymous. We meet every Monday night at 7:30pm on the Zoom platform. We are a Big Book Study except for the last day of the Month which is a speaker meeting. November speaker meeting will be on 11/29. There will be a short presentation on Tradition 11 and the main speaker will be Pam R from Principles Before Personalities in Seattle, WA. Thank you for allowing me to represent our group for the remainder of the term, until we elect a new/official GSR next month.

Home Away From Home Group Report November 2021

Hello Family and Feliz November

It brings me great joy to report that in this month of the celebration of gratitude, the HAFHG has resumed its Spanish and English speaking meetings via virtual platform. The English speaking meeting currently meets every other Wednesday from 12:30pm to 1:30pm, and the Spanish meeting is every other Thursday from 12:30pm to 1:30pm.

Volunteers and inside members alike were thrilled to be back and live in a meeting of Alcoholics Anonymous together. Attendance for the English speaking meeting consisted of approximately 25-30 people, including 8 new to the meeting and about 5 new to Alcoholics Anonymous! The feeling of being “home again”, along with jovial moments and a deep gratitude were in the room. An inside member shared that “any 2 or more gathered together for the purpose of sobriety may call themselves a group”...he carried that in his heart as he overheard a fellow AIC share that he was an alcoholic (during shut down). He reached out his hand, shared his experience and is now sponsoring that fellow. The heart and the message of Alcoholics is alive behind the walls!

Our next business meeting will be held on the Wednesday before Thanksgiving. Inside members are looking forward to filling inside service positions as well as participating in the spirit of rotation. Inside members have put in an order for AA chips to distribute at the next birthday meeting. Inside members are eager to get things “going” again!

As always, any AA approved literature contributions to the HAFHG are still welcomed and greatly appreciated. Literature is of true value to them at this time. Your contributions continue to be the AA light to our inside members! I love to keep in mind, that “literature can go where we can’t!”.

If any groups and/or individual members are interested in sponsoring a La Viña or Grapevine subscription to our inside AA members or would like to contribute other AA approved literature, you can contact myself or Tim C.

Another way to be of service to our inside members is to register with GSO for the Corrections Correspondence Service that matches inside member with outside members. If you would like more information please visit:

https://www.aa.org/pages/en_us/corrections-correspondence-service.

Currently, the badging process has been placed on hold until further notice. There are still ways, however, that we can be of service! If you have any questions please speak to Tim C or Pilar TC.; call or text: 541-819-0448; or email: home.away.from.home.group@gmail.com.

Hi my name is John T and I am an alcoholic. My home group is the **Redmond Early Risers** at Zion Lutheran church in Redmond. I am the alternate GSR filling in for Kimber. Our group meets Monday - Friday at 7:00am. We are a book study meeting that discusses the book "Alcoholics Anonymous" on Monday, A step study on Tuesday, "As Bill Sees It" on Wednesday, "Daily Reflection" on Thursday and "Twelve Steps and Twelve Traditions" on Friday.

At our last business meeting we voted on the three tabled motions to bring to the area meeting next week. We also discussed changing of service positions that will be voted on at our December group conscience and will go into effect in January. For the first time our group will be adding alternate secretary to the service positions available.

Safe Harbor group report

11/13/2021

Helen W., GSR

Safe Harbor is meeting Tuesday through Friday at 5:30 at the First United Methodist Church. Our attendance has varied from 3 to 15 people. We are seeing several newcomers. We are meeting in the Fellowship Hall, not in our former small, cramped room. The entrance is on Staats St., at the rear of the Church.

We adhere strictly to the Church's rules. They include, masks worn properly inside the Church, strict 6 ft. distancing (hugging and after meeting chats to be done outside), and no food or drink inside the Church. Attendees are asked to leave the room immediately after the meeting so sanitizing and clean up can be done.

If you come to our meetings, please follow our guidelines. We want to stay inside the Church, not outside in a park. Remember, this too shall pass.

YILS,
Helen W.

The Steps to Sobriety group continues to run "hybrid" meetings during both the Noon and 530 pm meetings at the Rebels Roost in Prinvielle.

One other item is the the Tuesday night 5 30 pm will currently move off as an registered AA meeting until May 2022.

We will be going through our annual Awol class (considered just a meeting) during this time slot until May 2022.

Service is gratitude,

Todd H

Gsr Steps to Sobriety

Sisters in Sobriety women's group meets every Saturday at 5PM in two formats; zoom and in person at TEC. The zoom meeting has low attendance . The live face to face meeting is growing in attendance and seems to be a place where newcomers regularly come. The meeting is generally about 10 people at present and there are typically four newcomers each Saturday. We even had a man come two weeks go and let him stay since he said he really needed a meeting.

The group is revisiting whether to continue with the two formats and how to reconstitute the attendance from previous group members that have disappeared. There are several positions open and at present the group is struggling to continue the meetings through volunteers who will temporarily take on the duties of treasurer, secretary and GSR. A business meeting was held to address the need for people to step up and take positions but attendance was limited and none of the group members who were previously on the zoom meeting attended. We plan to try again the first week in December.

There is one thing that most attendees agree upon. This meeting seems to attract newcomers who are looking for a smaller women's meeting. The fact that we seem to have newcomers every week is our motivation for continuing this meeting and for not just dissolving. There are five members who routinely show up and make sure the meetings take place regardless of the apparent lack of direction at this time.

Sincerely, Jill B. ...acting GSR (my two year term was up a year ago)
