

## CPC Happenings:

CPC has been moving along. Delivered schedules and information packets to Bend/Warm Springs & Madras DHS. Networking, planning and printing for our up-coming meeting on 06/02/18 at 12:30 at the downtown library in the Hutchinson Room, we will be working on distribution of CPC packets and discussing what we will be doing the next 6 months as a committee to continue spreading the message.

CPC has gone over budget for supplies, because of this it was suggested that we write a motion to cover the cost. The motion is as follows: To cover the amount over spent on supplies by CPC. The budget had \$50 for supplies, which wasn't sufficient to cover the needs of the current CPC committee. We are asking to increase the CPC supplies budget to \$102.69.

If anyone is interested in doing service work please attend our next meeting or contact me! CPC has packets to hand out to anyone interested in spreading the message of AA.

What we do: Cooperation with the professional community "CPC" provides the professional community (who comes into contact with alcoholics), with information about what AA is, what AA can & can't do, and how to contact local AA. This type of service work does not require much time. Due to its nature, very often it can be done at your convenience. Yet it is still a very rewarding type of service work. You could learn a lot more about A.A. and how it works.
