

District 5 Corrections Committee May 13, 2018 Report

Ordered and received 2 cases Grapevine reprints, as that is the favorite piece of Literature we bring in.

Had one Gentleman take advantage of the ride to Recovery Program, which makes 2 for the year.

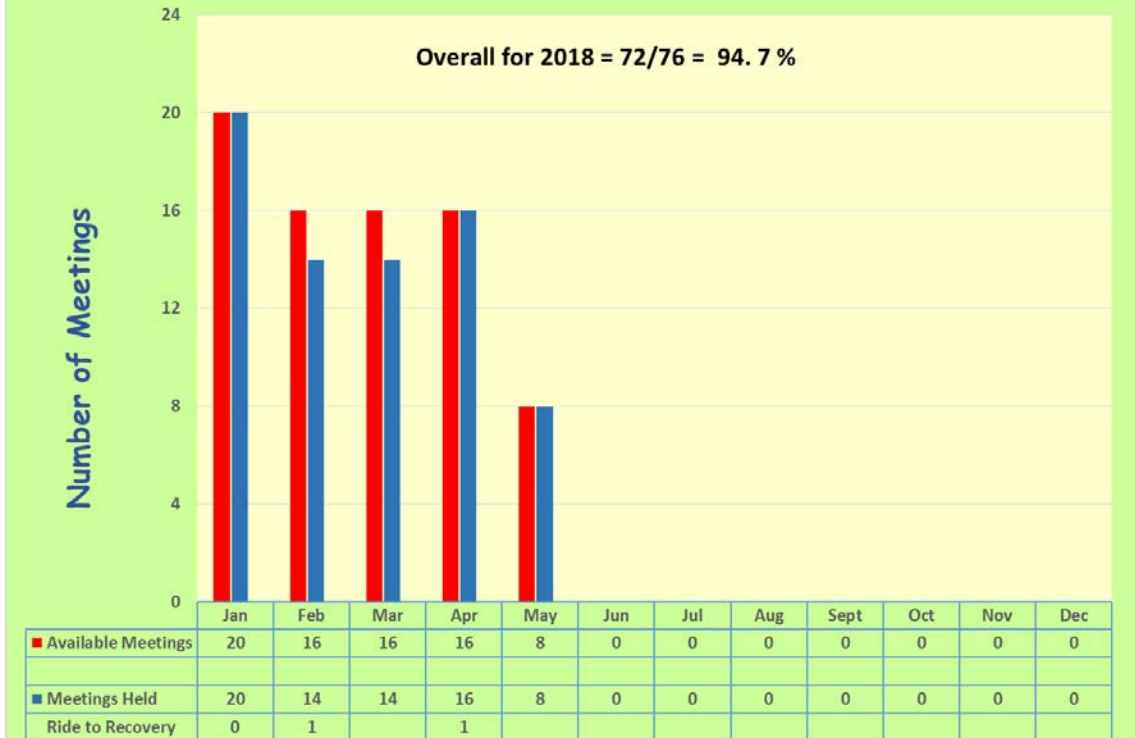

Were able to facilitate 100% of Jail meetings since the last report, for an overall 94.7% for the year.

Will start Volunteer recruitment as Corrections Program Director will schedule an orientation once he receives enough applications to have one

Thanks for letting me be of service
