

CPC (Cooperation with the Professional Community)

December 2018 CPC happenings-

We have a new active member on CPC, she is doing Redmond health care workers and hopes to be done by the end of January and I'm doing La Pine, then we will get them in the mail by the end of the month. I was able to attend Donn's PI meeting on Sunday and it was great to talk to everyone. We are moving along to the legal community after we wrap up the health care workers. Hope everyone had Happy Holiday's and a healthy New Year.

What we do: The CPC Chair provides the professional community (which comes into contact with alcoholics), with information about what AA is, what AA can & can't do, and how to contact local AA. This type of service work does not require much time. Due to its nature, very often it can be done at your convenience. Yet it is still a very rewarding type of service work. You could learn a lot more about A.A. and how it works. Please call to text me if you would like to join 541-404-2624.
