

CPC Happenings 11/10/18:

I'm excited to attend the assembly next weekend and participate in the round tables. CPC has 4 members right now. We met on 11/10 (yesterday) and made health care worker information packets and talked about how we can be the most effective for the next year. We are going to break up our areas of target and try to get more literature out to the outer areas, right now we are going to focus on the medical field and we were able to join Tim C. for the hospital panel and deliver some packets to him, it was great to see all the support for the hospital panel. I look forward to seeing you guys this weekend.

What we do: Cooperation with the professional community "CPC" provides the professional community (who comes into contact with alcoholics), with information about what AA is, what AA can & can't do, and how to contact local AA. This type of service work does not require much time. Due to its nature, very often it can be done at your convenience. Yet it is still a very rewarding type of service work. You could learn a lot more about A.A. and how it works.
