

October CPC Happenings:

CPC has been moving along, networking and planning for our up-coming meeting on 11/10/18 at 12:30pm, we are meeting in the Hutchinson Room at the downtown library, if anyone is interested in doing service work please attend our next meeting or contact me at 541-404-2624! What we do: The CPC Chair provides the professional community (which comes into contact with alcoholics), with information about what AA is, what AA can & can't do, and how to contact local AA. This type of service work does not require much time. Due to its nature, very often it can be done at your convenience. Yet it is still a very rewarding type of service work. You could learn a lot more about A.A. and how it works.

We had an informal CPC meeting on 09/30/18 with three of the committee peeps, we discussed where we are at with the committee and brain stormed some ideas for the future. One of the ideas is to contact professionals through e-mail instead of snail mail and save on postage. We have a new member who works at the hospital and was able to bring some CPC packets to St. Charles. I will be attending the November assemble in Grants Pass and will be participating in the round tables provided by the area.
